

Plymouth Center School Arrival & Dismissal Procedures

Arrival

Buses will be unloaded one at a time beginning at 8:30am. Kindergarten students will exit first from a bus followed by the 1st graders, then 2nd graders, 3rd graders, 4th graders, and finally 5th graders from the same bus. Students will need to remain socially distanced as they exit the bus, walk through the main doors, and to their classrooms.

Parent Drop-off will occur on Altair Avenue. Parents must turn onto Altair Avenue from North Street and park along the right-hand side. Parents are responsible for using the sidewalk and walking their student(s) up to a school staff member. Students will enter through the 4th grade doors while remembering to socially distance. Masks are required.

Preschool students need to be walked to the cafeteria doors (green doors with a “2” on them to the immediate left of the main entrance) by their parents. Parents must wear a mask and park in the side parking lot next to the school.

Dismissal *(Parents are encouraged to bring their own pen to sign out their child.)*

Preschool students will exit from the cafeteria doors where they entered. Parents must wear a mask and park in the side parking lot to walk up to the external cafeteria doors to sign out their child. If a preschool student has a sibling in another grade, this child will be dismissed at this same time as their younger pre-k sibling through the cafeteria.

Parent Pick-up students will be dismissed from the 4th grade doors. Parents must park along the right-hand side of Altair Avenue rather than the side staff parking lot. Parents must walk up to the 4th grade doors to sign out and pick up their child/children. Parents must wear a mask and socially distance while waiting for their student(s).

The Plymouth Police Department was involved in this plan and stated that parents must access Altair Avenue from North Street. Page 3 shows the direction that all cars are expected to travel and park during drop off and pick up students. PLEASE DO NOT do a U-Turn on Altair Avenue after dropping off or picking up your child.

Plymouth Center School Arrival & Dismissal Procedures

Pre-K Students will enter and exit the building through the external cafeteria doors left of the main entrance (green set of doors “2”). ***Parents must wear a mask and park in side parking lot.***

K-5 student pick up/drop offs will enter and exit the building through these doors if transportation to/from school is being provided.

Morning Drop off- Parents will turn onto Altair Avenue from North Street and park on the right-hand side of the street. Parent is responsible for their child until he/she is handed-off to a school staff member. ***Parents must wear a mask and remain 6 feet apart when walking their student(s) up to the school.***

Afternoon Pick up- Parents will park on Altair Avenue, walk to the school pick-up area and sign-out students from the exit labeled above. There will be a *parent waiting area* by these doors. ***Parents must wear a mask and remain 6 feet apart when signing their student(s) out.***

Plymouth Center School Arrival & Dismissal Procedures

Parents **must** park on the right-hand side of Altair Avenue when dropping off and picking up their child.
No U-Turns on Altair Ave are allowed.
